

ShopWithScrip Program

WHAT IS “SHOP WITH SCRIP?”

In short, it is a gift card fundraising program in which YOU purchase cards from merchants of YOUR choosing (over 700), in the amount that YOU want, when YOU want to do it. No more buying things that you don't want or need! You pay face value for the cards (ex: a \$100 card costs you \$100).

HOW DOES IT BENEFIT GVMPA AND MY MUSIC STUDENT?

With each purchase, GVMPA receives a rebate of generally 2%, depending on what is offered by the merchant. The student receives 75% of that rebate. An example:

[\\$100 gift card purchase to Old Navy, with rebate of 2% = \\$2 total rebate. \\$0.50 goes to GVMPA general fund and \\$1.50 goes to your student's music account.](#)

SHOP FOR GIFT CARDS (SCRIP)

- Go to
- Sign-in with your user name and password
- Click “shop” at the top of the page
- You’ll find a sortable menu of over 700 merchants from which to choose! You can shop alphabetically, by category, by card type, by rebate percentage and/or by denomination.

CHOOSING THE TYPE OF CARD (SCRIP) - There are three (3) types of cards from which to choose, depending on what is offered by the merchant.

Physical – a physical gift card will be mailed to the GVMPA Coordinator. 703 merchants currently offer this.

ScripNow – is an e-card that will be emailed to you, typically within minutes, and often immediately! 307 merchants currently offer this.

Reload – once you’ve already ordered a physical gift card, some merchants provide the ability to “reload” that card with an online transaction. 104 merchants currently offer this, including Starbucks!

PAYING FOR THE CARDS - There are three options for making payment:

PrestoPay - This is a transfer from your checking account. You’ll have an option at checkout to provide your account and routing information. Once completed, this is the fastest and easiest way to order Scrip!

Check to GVMPA – GVMPA can/will submit bulk orders to ShopWithScrip, and you can pay us by physical check or PayPal.

Credit Card – Beginning August 2019, you can pay with a Visa or Mastercard. However, you will be charged a fee of 2.6% of your total order. With that, you’d want to make sure that your rebate percentage outweighs the credit card fee.
